1 February 2017

Dear Parents and Carers,

Many of you will remember that in 2015, a group of parents and teachers cycled 150 miles from the original St Gildas School in Yeovil to celebrate 100 years since the nuns travelled to Crouch End to found our school. In the process, £27,000 was raised and used to fund the new playground.

Further research has revealed that originally, the Yeovil nuns had come from a small village in Western France called St-Gildas-des-Bois and the aforementioned lycra-clad group are now planning to ride the 300+ miles to London to raise additional funds for our two schools.

Planning remains in the early stages and we've recently succeeded in sourcing a large van to transport the bikes to France and to transport baggage and maintenance gear between stages upon the return but we are still short of a driver.

## WHICH IS WHERE YOU COME IN:

- Are you free between 26<sup>th</sup> and 30<sup>th</sup> May?
- Would you be willing to drive the vehicle in return for free accommodation, food (did we mention its France?) and undying gratitude?

If the answer to these questions is **YES**, please contact [stgildasonehundred@gmail.com](mailto:stgildasonehundred@gmail.com)

**Please also get in touch if you'd like to join us on the ride**

Many thanks
